

President's Message  
June 2017  
Benny Stafford

Last month was one of the busiest in recent history for the Club. We were a featured Club on Broadway at Cruising Grand in Escondido, we took over H Street at the Encinitas Nights show and had an all day cruise to Idyllwild with our own impromptu car show in front of the restaurant right in the center of town. During the Memorial Day weekend the club's monthly activities culminated with our 2<sup>nd</sup> Annual Shelby American Automobile car show at Deer Park just north of Escondido. With over 100 registrants, the proceeds went to the Warrior Foundation Freedom Station. A huge 'Thank You' goes to member Glenn Rogers who spearheaded the car show. Club members, show participants & spectators are encouraged to attend our upcoming 3<sup>rd</sup> Thursday Business Meeting to provide feedback about our car show. Please see the Upcoming Events page of this website for meeting details.

This month, in June, we have our 3<sup>rd</sup> Annual Wine Cruz on June 3<sup>rd</sup>. After a short drive through the countryside, lunch will be at the Lorimar Winery and followed by optional stops at other Temecula wineries. It is a well-attended event as many members bring their significant others. Certainly GUESTS with performance FORDS are welcome to join this event. See our website 'Upcoming Events' for details. An RSVP is required for a lunch seat.

With Memorial Day now behind us, I hope you took a moment to notice how proudly our nation's flag waves freely in the breeze and say a silent prayer to keep our military personal safe, remember those who have suffered, those who gave their all and the family members and loved ones who have experienced the pain and emptiness of losing someone who has served us all in the defense of our homeland and our values. God bless them.

Benny.
