Greetings Gear Heads,

This February will start off with a Fun Run on the 5<sup>th</sup> in the back country to warm up the tires and blow off the dust. The General Membership Meeting will be at the Mainstream Bar & Grill for breakfast, and I will be handing out the name badges ordered last month, check the events page for dates, time, & Location. We will be having a special guest speaker at the March meeting... Alan Grant, Shelby's most winning driver will be there to talk about his days on the track. Look forward to seeing you then!

Cheers, Ron
