

## President's Message

November 2016

Hi All,

Hard to believe that the holiday season is almost here!

Speaking of which, the annual SoCalSAAC Christmas Party is Saturday December 3<sup>rd</sup>. The formal invitation has been E-Mailed out, and the details are also on the Club's website, [www.socalsaac.org](http://www.socalsaac.org). This is always a fun event, and a great chance to include your spouse or significant other. Hope you will join us!

We had another awesome meeting at John Gerardy's garage in October. Lots of nice cars to look at; great camaraderie; and of course excellent BBQ burgers and hot dogs thanks to Chef Steve Ulmer. Thanks again John for hosting us!

Steve also led the group on our annual run to the Borrego Days festival and car show in Borrego Springs. Our Club's display of Cobra's; Mustangs; and Corvettes were pretty much the dominate attraction of the show. The weather was perfect; the food was good; and the beer was cold. Can't ask for much more than that!

Several of us stopped by Les Werling's garage on the return trip to crash his Daughters Halloween party to enjoy a cold one and some great Mexican food before heading home. Definitely a full day of fun!

Our next run is this Saturday, November 5<sup>th</sup>. The final destination is the Cordiano Winery in Escondido for lunch. Again, this is a great opportunity for significant others to come along and enjoy! See the web site for details. RSPV's required.

Our next meeting is November 17<sup>th</sup> at CCC Motorsports in Santee. Address is 1130 N. Woodside Ave. You can check them out at their website, [www.cccmotorsports.com](http://www.cccmotorsports.com). Details on the Club Website. Come on out!

It's time again for election of officers for 2017. We're looking for a volunteer to take on the position of Vice President. Please consider helping us out next year. We have plenty of good ideas for events, we just need some help to make things happen! Let me know if you are interested.
