

## President's Message

February 2016

We got 2016 off to a great start with our first Club meeting of the year hosted by John and Bella Besse at their garage in Escondido. John is involved in several vintage Cobra restoration projects that we were able to check out. Bella is a detailing expert as demonstrated by several examples of her work in the shop. The 20 or so members present drank a little wine and feasted on some great Mexican food from La Cocina Del Charro, so a good time was had by all!

On January 30<sup>th</sup> we joined a group of Factory Five members for their 'annual' run from Temecula to Palomar Mtn., ending at Stone Brewery in Escondido for lunch and a refreshment or two. There were at least 29 Cobras on the run, 11 of them from SoCalSAAC! Check out our Facebook page for some great photos, courtesy of Glenn Rogers. One of our newest members, Eric Ludwig, and his wife joined us for their first 'Cobra run' in their recently acquired awesome black Factory Five Roadster. I think it's safe to say they had a great time! Nothing is finer than seeing "Cobras in front of me, and Cobras behind me!"

The February meeting and run are set, details are on the website. We have some great events being planned, but are always looking for suggestions.

Our membership is continuing to grow, and the level of enthusiasm is increasing. Come out and enjoy the fun!
