

## President's Message

April 2016

At our March meeting at the Sizzler we not only enjoyed a great meal, but the meeting resulted in a fruitful exchange of ideas and opportunities among the members present. The most significant was the idea of hosting our first SoCalSAAC car show, suggested and strongly supported by member Neal Wichard.

Thanks to a very aggressive planning effort by Glenn Rogers and Neal, the Board approved the show to be held on Sunday, May 15<sup>th</sup>, 2016 at Dunkin Donuts in Ramona. Details and show application are on the website! [WWW.SocalSAAC.org](http://WWW.SocalSAAC.org). The show is limited to 50 Shelby related vehicles, so sign up fast!

Also present at the meeting was long time member Tom Conley. Tom has arranged for vintage Shelby's to be the featured vehicle at the upcoming Fallbrook Vintage Car Show on May 29<sup>th</sup>. (Memorial Day) Because of our Club's assistance on this project and the obvious connection to our tribute cars, we have been invited to enter the show as 'Display Only', something that is not usually allowed at this event. More details will follow soon via e-mail.

On March 26<sup>th</sup> JBA Racing hosted our Club for 'Bittle Dawgs' and a very informative tech presentation on suspensions following our morning cruise up Palomar Mtn. Owner J Bittle and his staff did a great job as always!

Our next meeting is Thursday April 21<sup>st</sup> at Auto Shield Paint Protection in Kearny Mesa. Details are on the website!

Also coming up on April 23<sup>rd</sup> is our annual Pines to Palms cruise lead by Steve Ulmer. Details are on the website!

Come on out and join the fun!

Ralph Jungk

President 2016
