

## President's Message

October 2016

Hi All,

Most of the focus in September was the annual Speed Fest in Coronado. Regretfully I missed the event this year for the first time in many years. (Had to go on a free vacation trip to Puerto Vallarta, oh well!) The feedback that I've heard plus the great photos posted on Facebook by Glenn and others indicates it was a fantastic event as usual!

I would like to express my thanks to all the dedicated SoCal SAAC members that volunteer year after year to make this event successful. Special thanks also to member Wayne Hadaway for managing the Car Corral. This event is clearly one of the most visible contributions of time and effort that our Club members make, and is certainly well worth it!

Our next scheduled event is the Borrego Days Festival and Car Show in Borrego Springs on October 22<sup>nd</sup>. This has become an annual event and is well worth attending. The show is free, but you must register your car in advance. See the web site for more details, or contact Steve Ulmer who is leading this run.

Members are invited to attend our next Board Meeting at noon on October 13<sup>th</sup> at the Sizzler on Murphy Canyon Rd. Suggestions for future events and activities are always welcomed, and this is good chance to offer them up.

Our next monthly meeting is October 20<sup>th</sup> and will be hosted by member John Gerardy at his garage in Escondido. In addition to enjoying John's great collection of cars, we'll be barbequing hot dogs and burgers. This was fun venue last time we did it, so come on out and join the fun!

Check our web site at [www.socalsaac.org](http://www.socalsaac.org) for details on this and other upcoming events.

We will soon be having our Annual election of Officers for the Club. Your help is needed, so please consider stepping up and getting involved. Contact me directly if you have any questions or interest in helping keep our Club moving forward.
