

President's Message
February 2017
Benny Stafford

This month we will continue the planning and preparation for our 2nd Annual Car Show. This year it was decided to have it at the Deer Park Winery and Auto Museum in Escondido. This looks to be an excellent venue for cars, families and good times. It comes with a stream, plenty of shade, picnic tables and a public restroom. More details will be provided as time moves on.

Several members have expressed an interest in a track day at Willow Springs Race Track in May. I need to start collecting names of those who may be interested, so that I can check into hotel rooms and locations to eat. This will be in addition to the Idyllwild cruise on May 20th and our car show on May 28th.

The Board continues to try and decide what to do with our archived records. It needs to be determined if there is this can be done via computer storage, or maintaining the actual hard copies. This item will be on the agenda at our February club meeting.

I would also like to encourage members at the next meeting to provide suggestions about new club activities and places we may want to attend as a club.

I hope to see as many of you as possible at the February meeting. I'm currently looking into Rocky's Paint and Body for our next meeting. Rocky is out due to recent surgery. I will get the confirmation out as soon as I'm able to contact him.

Everyone have a safe and healthy month.

May the Road Go On Forever, and the Party Never End

Benny
