

President's Message
March 2017
Benny Stafford

As March approaches, we continue in our attempts to expand upon the types of activities in which the club participates. March 4, the club event will be at the Barona Drag Strip. For those who have not been to this venue, it's "old school" Saturday night drag racing. Lots of stock street cars to highly modified drag cars. The pits are open to all, and the crews are more than willing to talk cars and racing with those who stop by. Mark Miller will have his Comet Drag car out for it's initial trip down the strip. This is an excellent opportunity to make a couple of runs down the track, if you are not interested in doing that, come out and support the guys who will be making runs. Hang around the pits, chat, eat and have a good time.

Glenn has been doing a magnificent job on his efforts to coordinate and promote the car show. It looks as though we will have several trophy sponsors, and vendors to assisting in making the show a better event. Who knows, there may be a new Ford GT on display for all to behold. At this point plans are being discussed and logistics worked out.

I encourage all of you to come to our monthly meetings and events. Looking forward to seeing you guys.
"May the Road Go on Forever and The Party Never End"
