

Guys I apologize for this being a little late but circumstances kind of put me in a bind. I wanted to list the location of our monthly meeting in the message. Last month I had the October location set. I went down there a few days ago to confirm, and the establishment was closed. After leaving for the weekend, I've tried three other locations, but no luck. Currently, I'm waiting on this month's location confirmation.

The Board of Director's meeting will be next Wednesday, October 12, at "On The Border" located at 298 E. Via Rancho Parkway, Escondido. The meeting starts at 11:00, all members are invited to attend. We will be discussing and making plans for the upcoming Christmas Party.

We also have Steve Ulmer's annual run to the Borrego Days Festival Car Show on October, 21st. Immediately following the show, those who have signed on will be traveling to Big Bear for the overnight run.
