

PRESIDENT'S MESSAGE
NOVEMBER 2017
Benny Stafford

As usual the third Thursday General Membership meeting will be held on November 16, 2017. GUESTS ARE WELCOME. We will meet at 6pm at Classic Auto Restoration, 1353 Simpson Way, Escondido, CA. Please RSVP, as we often have about twice as many show up as those that have RSVP'd, which makes it questionable if we have enough pizza ordered. At the meeting we will have various menus for the Christmas Party to be discussed. This year the food will be provided by Bret's BBQ. Due to scheduling conflicts, the Christmas Party will be held on December 9, 2017 at the same location as last year; Les Werling's shop.

Be sure to check our web page for this months run, Craig has good run scheduled.

For those who have participated in the past, registration is now open for the VARA event in January. For those who have not attended this event, it is a good venue to safely take your car onto the track and test is and you're driving skills. The staff at VARA put on some outstanding driving classes to pick up pointers to enhance your driving skills. We always have a great time and have located an outstanding steak house for drinks and dinner. Hope more show up this year.

This month being Thanksgiving, I want to wish you all a happy and safe Thanksgiving with your family and friends. Please take to look at all that we have to be thankful for and please remember those who are overseas for our country. As one who has been in a foreign country during the holidays, it is a very lonely and isolated feeling being away from your family at this time of year.
