

PRESIDENT'S MESSAGE
JANUARY 2018
Craig Van Wanseele

Hello fellow Automobile Enthusiasts,

The New Year is a wonderful time of year. Everything seems to be so fresh. All those old plans and dreams forgotten or overlooked are rekindled. A new optimism for the coming year fills the air.

That's the enthusiasm with which my new term as President of the "Southern California Shelby America Automobile Club" begins. I'm planning a fun and exciting year of motoring adventure.

As Vice President last year I had the privilege to co-ordinate our monthly Club Events. In January we spent 3 days at Button Willow Race Track attending The Vintage Auto Racing School (VARA). What a good start to a fun and safe driving year.

Our new Club Vice President Ron Lawrence will be scheduling our Club Events this year with a variety of interesting and fun activities. By the way Ron is building his own "Factory Five Racing" Cobra kit in his garage right now. Check out the rest of our website for some more interesting topics.

So won't you drop us a line and attend one of our scheduled Club Meetings and Events. GUESTS ARE ALWAYS WELCOME. We look forward to meeting you and making some of your dreams come true in the Fast and Fun Lane of Life.

Yours Truly,
Craig Van Wanseele
