

PRESIDENT'S MESSAGE

February 2018

Craig Van Wanseele

The month of January got off to a great start for those of you interested in all things automobile. The San Diego Automobile Convention came to town to kick off the New Year. Then the University of VARA at Button Willow Racetrack hosted their 3-day Vintage Auto Racing School. Our SoCalSAAC monthly membership meeting was held on the usual third Thursday of the month, January 18th. The meeting was held at Tomahawk USA in Poway CA. Our members and guests had a great time dining on fresh hot pizza and cold drinks during the meeting. As a conclusion our Host's, Jeff & Josh Vild, gave us some useful tips and tricks to auto detailing.

A few of us had the opportunity to purchase, at huge discounts, the latest ceramic paint coating products.

January's Club Event rounded out the month with a Bang!! The Peterson Automobile Museum in Los Angeles hosted our Club and many other Shelby Automobile enthusiasts for the Annual Carrol Shelby Birthday Bash. There were hundreds of Shelby's there including Mustangs, Cobras and Ford GT's. Food, fun and comradery was had by all. The parking was free and discount tickets to tour the museum were available. Hillbank Motors, the local Superformance Dealer awarded prizes and awards for many of those in attendance.

As you can see, we are a very active group of guys and gals. Why don't you join us at one of our events listed on our Events page or attend a monthly meeting and see for yourself how much fun this stuff is. Guests are always welcome for ride along as well.

Sincerely,

Craig Van Wanseele
