

## The President's Message

Craig Van Wanseele

June 2018

Summer driving weather is rapidly approaching. Just to be on the safe side; check those critical items that could interrupt an otherwise beautiful day in your Shelby Automobile. Whether it is your daily driver or your weekend escape. Brakes, tire pressure, coolant and fan belts are at the top of the list.

This month's club meeting is scheduled as usual on the third Thursday of the month, June 21. The shop owner will be sharing a state-of-the-art paint matching system. Check the Events tab for the details. This is a meeting you will not want to miss.

Our Third Annual Club Car Show and Fundraiser is just around the corner on Sunday, June 24. It keeps getting better and better. Come join us. The details and registration forms can be found on the Events page as well.

All GUESTS and VISITORS are welcome and encouraged to attend our meetings, activities and events.

Happy Motoring,

CRAIG VAN WANSEELE
