

Presidents Message

January 2020

Hello Members, 2019 was another great year for the Club. Ron found some great new meeting places and we did a few new runs. I want to Thank Ron and the rest of the Board members for everything they all did for us in 2019

Fortunately for me Eric Zucker, Glenn Rodgers and Mark Miller have graciously volunteered to continue on in their positions. They do a lot for us and I'm very grateful to be able to work with them in 2020.

Our plan so far is to continue coming up with new venues for meetings and new runs as well as keeping tradition with some of our favorite ones from over the years.

Our new Vice-President Mark Coulter is looking forward to keeping us on the road. He has already come up with a run for next weekend January 4th. He led a few runs last year and has the same thinking Carroll had which is "They were meant to be driven". I'm looking forward to a great mix of runs this year. Mark has been talking about doing Impromptu runs after the meetings so watch your email for information on that. Mark and I have been talking about an overnight run or two and getting up to do some track time at Willow Springs Raceway as well.

Please take a minute to verify and update if needed your email and phone number. Send any changes to me at (my info link). Also please send a picture if you would like to update our members list with it.

Don't forget to check the Non-Club events list on the website for information on Car Shows and other events that you may find interesting. Looking forward to 2020. Thanks Eric
