July 2020

Hello all, Lets start with some good news that most of you probably already know. Grape Day Park has given us a new date for our 5th Annual Car Show which is September 5th, 2020. The website has been updated and you probably have received an email letting you know of the change. Another email reminder will be coming your way as well. We are all very much looking forward to it. Our June meeting was hosted by member John Gerardy at his place in Escondido. We were treated to not 1 but 2 new Ford GT's. Both owned by guys named John. Was quite the lineup and John G. has a great collection of mostly Ford vehicles which are amazing. We also had a guest from Athena Racing talk to us about her team. Was interesting as well. Check them out on the internet. We ended the meeting with a run through some backroads in the Fallbrook area. All-in-all, a good day.

We will continue to schedule meetings and events/runs as best as we can with the changing conditions regarding covid19. Watch your email for info as well as the website. Thanks Eric
