

The Presidents Message

Craig Van Wanseele

August 2018

July was a warm month in Southern California for open cockpit adventures.

Our traditional Motor Transport Museum Run to Campo was canceled due to a record heatwave and wildfires. Some of our members decided to travel North into Canada to beat the local heat!

Benny and Ralph joined many other Superformance AC Cobra Owners on the Annual SCOF Run. The rendezvous was Bonners Ferry, Idaho. From there they spent a week and 1400 miles touring through Canada. The highlight of the trip was either the 140 mile stretch of freezing rain or walking the glacier in sandals. You'll have to ask them at the next Club meeting. Check our website under the events tab for all the upcoming adventures. Guests are always welcome.
