

President's Message
Ron Lawrence
Oct., 2019
SoCal SAAC

Greetings Gear Heads,

Autumn is upon us and it has been a long time I have seen rain this early in the season, so check the tires for good wear and no bald spots, like my head!

This month's general meeting should be a memorable one as we are visiting one of the largest privately owned Drag Racing Museums in the US! And it is in our backyard, if you live in Lake Elsinore.

See this event and others under the events page.

Cheers, Ron Lawrence.
