Greetings Gear Heads,

April is coming great weather for events... Starting off with the GoodGuys event Apr. 1-3 at the Del Mae Fair grounds, April 16 our general membership meeting will be at JBS Speed Shop.

I will be passing out more name badges, discussing the details of the car show, and Jay will tell you so much about "Wheels & Tires" to give you a headache! Check the Events page on this web site to get more details, dates, and times.

Look forward to seeing you then!

Cheers, Ron
